

## HOW TO PRINT, OR SAVE AS A PDF

To begin, log in to your SoftScreen® account.

Using the shortcuts menu, click to view reports.

Please navigate to the report, rental application, or documents you'd like to print or save. Each document can be printed or saved as a separate file.

Choose the desired function button displayed on screen.

If saving as PDF using a mobile device running an Apple iOS  
We suggest opening in iBooks. This will place the document in your app as a PDF.  
For an Android operating system we suggest saving to your Google drive.
