

Welcome to SoftScreen®

We are a purpose built tenant screening platform serving the needs of real estate professionals and their valued clients. We will provide certified **TransUnion®** rental screening reports...

You receive a full and complete **credit report + credit score**, national **criminal background** report, and a nationwide **eviction screening** report, along with our Best In Class **rental application**, and most everything else that may be needed to thoroughly screen applicants when applying to rent your property.

Let's get started!

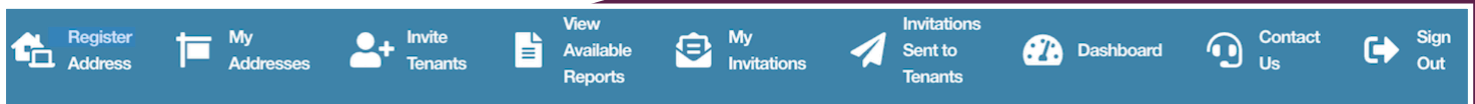

Please visit www.SoftScreen.com - Click on any Register button or link found on our website.

We'll guide you through your registration process. **You'll need access to your email and your mobile phone.**

Once registered, you will be welcomed to your account's dashboard. If you have an invitation to join the distribution of tenant submissions (sent to you by your agent) it will be presented automatically for your acceptance. **Please accept your invitation.** Your dashboard, (pictured below with annotations) along with its corresponding "shortcut bar" provides you with the functionality needed to navigate the rental screening process.

Here to support you 7 | 365

To get in touch, please click on any of the contact links found on all pages of our website. Submit a dedicated Landlord help ticket. We promise a quick response!

Welcome to Your Dashboard

SHORTCUTS APPEAR IN THE NAVIGATION BAR ABOVE. Or use the full feature menu below.

This is your shortcut bar.
The icons appearing here correspond to your dashboard's full menu. If preferred, you can use these to navigate functionality.

Address Management
Your applicant criteria can be established and set. Please discuss this with your agent.

You're Invited!
Look for your agents email. Your agent will register the address of your rental property and "invite" you to receive all applicant submissions.

To RSVP and accept,
click where indicated.

rental screening begins with a rental property
simply enter the address to start screening tenants

Let's Get Started

Rental Screening Simplified

No need to register the address of your rental property. Your agent will care for this detail

enter :

start by registering the address of your rental enabling potential tenants to apply for rent [click here](#)

addresses management

manage addresses you've already entered. set applicant criteria, update info or delete addresses that have rented [click here](#)

You and your agent will be able to invite interested parties to apply for rent.

invite :

an optional way to engage applicants. invite potential tenants to apply for rent. send a custom generated link. choose email or text. [click here](#)

invitation management

for invitations you've already sent to potential tenants. you can resend, or cancel them [click here](#)

When applicants submit their offer to rent, you're able to click here to view everything that has been received.

get:

view your offers to rent. access all applicant submissions. [click here](#)

to accept an invitation you've received from a real estate listing professional [click here](#)
